About Us

Established in 1912, Portland Bolt is a global supplier of bolts and specialized construction fasteners. With 270,000 square feet of manufacturing space and in-house hot-dip galvanizing lines on both the East and West Coasts, we provide short lead times and delivery to virtually any destination in the US within two business days. Our strategically located stocking warehouses and custom manufacturing capabilities make us a true one-stop destination for all your fastener needs.
